Palm Walkway Asked By L.G. School Board

The Lemon Grove school board Monday night awarded the district's comprehensive liability insurance to the firm of Carter and Higgins of San Diego. The premium is \$7,800 for three years. The firm outbid Jack Durham who had it previously.

The board also agreed to sup-

port the Donovan Bill, a bill which would remove from unification requirements that the districts follow high school boundaries.

Business manager Paul Reynolds told the board that budget studies will be made during April, May and June. The budget hearing will be Aug. 2 and the budget will be nearly two million dollars, Superintendent Byron Netzley said.

The board acted upon a letter from Mrs. Vernon Block, safety chairman of Mt. Vernon school. She complained of the traffic hazard youngsters face as they walk to school along Palm between Washington and school. The board decided to ask the County Board of Supervisors to provide a walkway similar to the one along Sweetwater north of Mt. Miguel High School.

Miss Patricia Johns, an art aid teacher was employed to assist a 35 student art section at Palm High School.

'My Birds Are Good Parents,' Says Lemon Grove Bird-Raiser

By Max Goodwin

A Lemon Grove bird raiser is author of a major story in the current issue of the American Cage-Bird magazine, a national publication issued monthly.

The writer, Mrs. Robert Thurman, of 8113 Jefferson ave., Lemon Grove, raises Lady Gouldians, birds of the finch family.

Mrs. Thurman, who never attempted writing before, said she became activated when she read that the type of birds she raises

do not make good parents. She wrote the story, fired it off to the publication, and the editors published it — a page and a half of material.

Mrs. Thurman, a former Wave and the wife of a truck driver, has been raising finches for seven years. She says that not only do her birds make good parents but they are good producers.

The baby production of the birds is what makes Mrs. Thurman's activity a rarity. While most raisers are getting less than a dozen babies a year, Mrs. Thurman's birds produced 63 babies in 1963 and 89 in 1964.

She gets \$35 a pair for her

birds and gives ten per cent of the income so derived to the Southern Baptist Church in Lemon Grove. "When I first started raising birds I prayed that I would be successful."

Mrs. Thurman said that she met her husband when they were both in the Navy. They have lived here 15 years.

But back to the magazine article. "I have gotten more than 100 letters and telephone calls from as far away as Milwaukee and Oklahoma City," she said. "I tell them" all that "Lemon Grove birds are good parents."

She is planning to enlarge her aviary soon, she said.

He is survived by his widow, Mabel C. Nelson, and a daughter, Mrs. Florence Niele of Las Vegas.

Mother, Children Injured In Lemon Grove Accident

A mother and her two children have been released from Heartland Hospital after suffering injuries in a three-car crash in Lemon Grove.

The accident took place at the intersection of Broadway and Imperial last Thursday morning. The three injured persons, Mrs. Karen M. Heinichen, 22, and her children, Mark, 3 and Lori, 1½, were released from the hospital Friday. They suffered abrasions and cuts but

no serious injuries, a hospital official said. They live at 6175 Broadway, San Diego.

California Highway Patrolmen said the accident occurred when brakes failed on a car driven by Norene E. Macdonald of 3071 Buena Vista, Lemon Grove. The Macdonald car struck the Heinichen car and then the Heinichen car struck a third car, officers said. The third car was driven by Carr C. McCall of 3444 Calavo, Spring Valley.

Officers said no citations were issued.

The Tuesday meeting was attended by five members of the LG club. They heard Bud Birch, member of the Le Mesa-Spring Valley school District, make a plea for a one-unit district encompassing the entire Grossmont High School district.

The club will continue to meet at the Golden Bowl each Tuesday for a no-host luncheon. All males are invited to attend.

Christian Science Lecture To Be Given Here Saturday

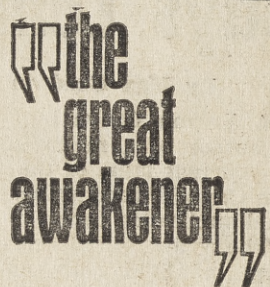

"The Great Awakener" is the title of a public lecture coming here on Saturday, Feb. 13, under local Christian Science auspices.

Martin N. Heafer is the speaker. His lecture will explore the

element of "spiritual perception," its relation to Christianity, and how it operates in human thinking and affects human life.

Sponsor of the event is the Christian Science Society, Lemon Grove. It takes place at 3 p.m. in the Masonic Hall, 2590 Main st.

Heafer withdrew from a business management position in 1957 to become a recognized practitioner of Christian Science healing in Houston, Texas. He served in the United States Army Air Corps during World War II, and is currently on an extended tour as a member of the Board of Lectureship of The First Church of Christ, Scientist, in Boston, Mass.

Spiritual awakening comes in many ways. It can come in a sudden flood of unselfish love — or a quiet, growing spiritual sense of life. A deeper awareness of the presence of God enables you to see things differently. Hear a public lecture on "The Great Awakener" by MARTIN N. HEAFER, member of the Board of Lectureship of The First Church of Christ, Scientist, in Boston, Massachusetts.

"LIGHT"

Jesus said, "I am the light of the world." The world outside of the Kingdom of God is in darkness. It is the darkness of sin and separation from God. Jesus Christ came to bring light so that people might be called and brought out of darkness. This light cannot be found in anyone but Jesus. Therefore do not seek for light any other place.

Unification Cuts Grass Roots

It is a certainty now that the smallest unified school district this area will be trapped into will include La Mesa, Dulzura, Barrett, Jamul, Las Flores, a portion of El Cajon as well as Spring Valley and Lemon Grove.

It is proposed by the proponents of such a district that the board of trustees be made up of four representatives of the La Mesa-Spring Valley district; two from Lemon Grove and one from the remainder.

Because La Mesa, with its population advantage, has dominated the LM-SV District in the past, it is safe to assume that that domination will continue. With four representatives to be selected from the LM-SV District, domination is guaranteed.

It is only fair to admit that Spring Valley got more representation after the school prayer issue arose in La Mesa last year. It would appear that Lemon Grove would have no more voice in the district affairs in the future than Spring Valley has had in the past.

We suggested editorially earlier this year that the larger school district being ramrodded by California House Speaker Jesse Unruh would not be responsive to the public. Nor the public to the school district. As a result, school employees would not be able to maintain the economic growth they are enjoying without eventually facing an electorate which would come to view school needs as a tax dollar problem. As in Lemon Grove, and some other small districts the growth has been endorsed by and subscribed to by the people of the district who had intimate touch with the district as a whole.

Homeland understanding and support is an important ingredient in school district makeup no matter what the big government boys say.

In a letter from Speaker Unruh, in direct response to the previous editorial, he cited:

"Unification alone cannot bring about a better education for our children. It takes a well-qualified and organized administration and staff backed by an interested and enthusiastic citizenry to do the job. We realize that unification has its shortcomings, as all concepts and plans do, but we agree that the advantages far outweigh the disadvantages. I am pleased that you called this to the attention of your readers."

Most parents dislike viewing their district as a big, taxing agency. Big districts will bring this attitude into the small district where the understanding, appreciation and enjoyment of working shoulder-to-shoulder with school personnel for the benefit of school kids has made many California school districts outstanding by national measurement.

Girl Scout Chatter by Mary D. Giacinto

Cookies! Cookies! And more cookies! That's what the girl scouts have planned for you from Feb. 12 to the 22. Since they have mm-mm-mm-mm flavors such as Scot-teas, Mints, Savannahs, and chocolate and vanilla cremes they really expect to sell cases and cases of them. By the way a case sells for \$6.00 (12 boxes) and each box sells for 50 cents.

The cookie sale is a service project for all the girl scouts. With the profits, camp facilities are provided along with maintenance and better programs for the girls. A small part of the profit goes to the troop treasury and is used for camp equipment, outings, craft material and other projects. Since each girl benefits they really pour their hearts into their sales efforts.

If you like cookies buy a lot. If you do not, buy just a few. Let's keep our Lemon Grove

Monte Vista Team Wins Two Games During Week

The Monte Vista High School basketball team moved two games closer to its first Grossmont League basketball crown by dumping El Cajon 50-39, and Grossmont 54-45 in the past week.

In the game with El Cajon, the Monarchs could never get more than a seven point lead until late in the fourth quarter. El Cajon, however, never had more than a four point lead and led only throughout the third quarter. At the end of the game, the Monarchs led 34 to 30. Only when there were about four minutes left in the game did the Monarchs pull further out in front. Dan Robertson led all scorers with twenty-eight points. Williams from El Cajon had eleven, with Braves,

Thompson and Bettencourt with ten points. The Monarchs held the rebounding edge 35 to 27. El Cajon shot for 29% (15-52) from the floor to Monte Vista's 31% (17-54).

The Monarchs were almost always in front in the Grossmont game except for a few minutes in the first and second quarters. The Monarchs blew a 9 to 2 early first quarter lead, but led 12 to 8 at the end of the first quarter. For the next three quarters the Monarchs kept pulling ahead and at times in the fourth quarter led by twelve points. Dann Robertson scored thirty-two points for the Monarchs. Foothiller Steve Howard racked in seventeen points.

With only three games left in the season, the Monarchs need only two victories in the three games to assure themselves a tie.
